EXPERIENCE**President - Student Council, Swarnprastha Public School****July 2025-Present**

Elected as Head Girl by 100+ votes, leading a council of 1,000+ students. Organized events for 1,200+ attendees, proposed 10+ initiatives including the school's first theatre troupe, book club, and wellness webinars promoting inclusivity and student engagement.

Content Creator - Hidden Hand**June 2025-Present**Created 50+ posts, built 1500+ followers, and achieved 5,000+ views by simplifying cognitive biases and behavioural insights into relatable content, promoting practical understanding and financial awareness through *The Hidden Hand*, a behavioural finance and psychology page.**Intern - IJYA Jewellery****May 2025-Jul2025**

Conducted comprehensive market research and sales data analysis on luxury jewellery, examining 1,000+ data points to uncover consumer behaviour trends, Gen Z preferences, and high-value buyers' interest in customized pieces to inform strategic business decisions.

Proposed 'occasion-based bundles' strategy, improving sales efficiency and driving a ~20% increase in customer inquiries and conversions.

Researcher - How Accents Influence Perceived Intelligence and Trustworthiness**January 2025**

Conducted a mixed-methods study with 120 participants, revealing that 68% unconsciously linked certain accents to lower credibility.

Developed actionable strategies, including inclusivity training, communication modules, and awareness programs, to help schools and workplaces reduce accent-based bias, foster linguistic diversity, and create more equitable environments for all individuals.

Researcher - Economics and Digital Finance**July 2024-October 2024**

Analysed 10+ global CBDC projects, including China's Digital Yuan and Sweden's e-Krona, evaluating impacts on financial inclusion and monetary policy frameworks.

Authored a comprehensive literature review, integrating findings from 15+ studies, published in IJRAR, offering strategic recommendations for policymakers on CBDC adoption and financial system integration.

Intern - INITE (NGO)**May 2024-July 2024**

Facilitated connections for over 20 students from underserved communities, linking them with the NGO to secure essential funding and resources for higher education, with 80% of participants successfully advancing to pursue further studies.

Delivered 12 comprehensive financial literacy workshops, equipping students with critical budgeting skills and strategies to manage educational expenses, enabling informed financial decisions throughout their academic journey.

LEADERSHIP & COMMUNITY INVOLVEMENT**Founder - Shilp****November 2024-Present**

During Diwali 2024, identified local artisans struggling to sustain their craft alongside seasonal work; initially collaborated with 6 top-selling artisans, generating ₹30,000 in profits distributed among them.

Expanded initiative to 30+ artisans across nearby villages, promoting their products, providing mentorship, and conducting financial literacy sessions, resulting in ~15% sales growth and fostering sustainable business development.

President - Founders Club**September 2024-Present**

Founded my school's first youth-led entrepreneurship club to educate students on startups, MVP development, and idea implementation.

Organized inaugural 2024-25 competition with 14 teams and 35 students, judged by business leaders; for 2025-26, selected 35 students from 80+ applications across classes 6-12 for mentorship and leadership.

Treasurer - Interact Club, Rotary International**July 2024-Present**

Organized multiple donation drives benefiting 90+ individuals across orphanages and old-age homes, providing essential supplies and support while fostering a culture of empathy and giving within the community.

Conducted health and well-being awareness seminars for 400+ students, distributed 150+ handmade cards to senior citizens, and actively contributed to initiatives promoting social responsibility, meaningful engagement, and long-term positive community impact.
